PROFILE

I am a UX/UI Designer with 8 years of experiences of the design in mobile app, website and responsive and I am currently working as a UX/UI Design Team Lead at TMES Co., Ltd. Since March 2025.

EXPERIENCE

TMES Co., Ltd. UX/UI Design Team Lead <i>Mar 2025 - Present</i>	• Attended monthly performance review meetings with MD, a practice required of all team leads • Held end-of-month 1:1s with team member to review progress and plan next month's priorities • Reviewed designs with team member and MD, providing feedback for improvement • Collaborated cross-functionally with developers, QA, PM and Marketing • Adapted the company's design system across multiple client projects including DoiTung and SBCS to accelerate delivery timelines • Leveraged AI tools to support project scoping and requirements gathering in the absence of a dedicated BA role
Socket 9 Co., Ltd. Senior UI Designer <i>June 2019 - Mar 2025</i>	• Worked on various design projects for a range of clients mainly focussed on SME, Enterprise and Government Client • Worked with Business Development team as a pitching deck both design from scratch and redesigned mobile app and web app for user friendly, functional and clean. • Worked cross-functionally with developers to implement new features and maintain site usability • Managed and coached junior designers to collaborate designs in a team and to deliver product to customer
